DAYTIME EMMYS®

Dear Friends,

We have some exciting news to share!

We're honored to announce that **Unleashing Hope – The Power of Service Dogs for Children with Autism** has been nominated for a **2026 Daytime Emmy® Award in the Outstanding Daytime Special** category.

This nomination celebrates more than a documentary. It celebrates the children and families who shared their journeys, the extraordinary Autism Service Dogs who changed their lives, and the incredible community that makes every partnership possible.

Whether you've donated, raised a puppy, volunteered your time, sponsored a team, or helped share our mission, you are part of this story. Your generosity and dedication allow us to provide life-changing service dogs at no cost to the people who need them most.

We're grateful to everyone who helped bring Unleashing Hope to audiences around the world, and we're proud that this recognition shines a national spotlight on the impact of Autism Service Dogs and the mission of **Guide Dogs of America | Tender Loving Canines**.

Thank you for believing in our mission and for being part of this incredible journey. We couldn't do it without you.

Congratulations to our families, our dogs, our staff, our volunteers, and our entire GDA | TLC community!

With gratitude,

Tony Blevins
